

At Morgan we aim to provide an organised and progressive education. By continually missing days your child may miss important steps in their learning.

If your child is away the school needs to know why

Missing 5 days in 3 weeks equals losing 33% of a child's learning time

Missing 10 days every term equals losing over 1 year of learning by the end of Primary School

Missing 50 days a year equals losing 2 whole years of learning by the end of Primary School

Morgan Primary School aims to achieve quality education outcomes for all students. If children do not regularly attend school they cannot gain maximum benefit from schooling. We promote regular attendance through:

- Ongoing student engagement programs and activities for children
- Provision of a positive and supportive learning environment where students experience success
- Positive parent communication
