

# Information

To help keep families informed each child will have a named pocket located under the Veranda next to the information boards. All written notices will be placed in these pockets. Weekly newsletters will also be issued to keep families informed. We encourage you to read these and have a chat with staff if you would like more information.

# What is occasional care?

Occasional Care at the Morgan Education Community is an associated self funded care program on an occasional basis, based within a local early years setting. We provide 'now and then' sessional care to enable parents/caregivers to participate in leisure activities, follow up commitments or keep appointments.

Occasional Care provides wonderful opportunities for children 3 - 4 year olds to play and learn with our staff, other children and each other and experience the early years environment and its resources.

## Sessions

*Mondays 9.00am – 12.00noon*

## What will my child do?

Your child will have access to a range of developmentally appropriate activities, enabling them to explore safely in a caring environment.

This is a great opportunity to prepare your child for an early years program by familiarising them with the staff and environment.

We understand that Occasional Care is often a child's first experience of child care and this may be unsettling for both you and your child. If you are concerned that your child may be distressed for any reason, please let us know.

## Cost

The standard fee is \$5 per session. Families holding a current Health Care Card receive a concession to \$2.50 per session.

## Bookings

Bookings can be made by phone, (85402102, 0417082130) or in person at the Morgan Education Community.

Bookings need to be done in advance and full payment for the session on the day please.

## What Your Child Needs to bring

- Comfortable clothing and protective shoes.
- A change of clothes (learning sessions can be messy business!).
- A named hat (we are a SunSmart centre).
- Sunscreen applied before the session please.
- A coat/jumper in colder weather.
- A named bag/backpack.
- Healthy brain food for morning snack preferably fruit, crackers and cheese or yoghurt (pre-packaged foods, sweets, cakes and sweet biscuits are not encouraged as they are high in salt and sugar).
