Principal News

Welcome to Week 2

You can say we are certainly back into the swing of things. I would just like to commend our students on their determination and persistence in the pool with all lessons compiled into one week, especially on Friday with 3 hours + of swimming. A job well done guys.

DECD swimming and aquatics have modified the program to focus on water safety not stroke development. Students will be presented with their certificates in the coming weeks and we will be able to see their development in the pool at our Riverland West small school annual SPLASH CARNIVAL on Friday 3rd March.

A MASSIVE THANK you to Wendy Crabb, Brenton Wilksch and Scott Napper who emptied 2 cages of cans and bottles on Sunday morning. This is fundraising that benefits all students so please think about offering some help (a job that only needs doing 5 times a year but brings in \$5000 for our kids).

Thanks Mr Zerner for working so hard to make sure our pool is working (after a few hiccups in the holidays) and clean.

Some of our younger students were asked to participate in an interview to be used for a promotional video for the Mid Murray Council—we look forward to seeing our kids in the spotlight.

Have a cool week!

Kind Regards, Kellie Zadow

Meet and Greet Evening—Tuesday 14th February

Families are invited to attend our annual Meet and Greet Evening on Tuesday 14th February where you are invited to come along to our open classrooms from 5-6pm to meet with teachers, participate in some classroom activities, ask questions and see what is planned for the term and year ahead. Please join us for a BBQ tea from 6pm—7.30pm. Please bring a sweet / salad to share and your own drinks. Please complete the RSVP so we can organise catering. Come along new and old to welcome our new families and to start the year off by being involved in school life at MPS.
