Principal News

Welcome to Week 4

School Leaders 2017— Last week our Year 7 students presented their applications and speeches to the staff and student body. I have great pleasure in announcing that Aydin Wilksch and Charmaine Barty will be our School Leaders in 2017.

Our Student Representative Council will consist of Lucy Speyer, Claire McWaters, Callum Moore and Hunter Danton. We look forward to your impact, ideas, shared decision making and being the voice of the students and community.

Student Photography Workshop—Upper Primary students— Come with creativity and imagination on Friday as you will be participating in a photography workshop and getting out and about in Morgan. We look forward to seeing what you can all produce.

Student Voice—Last Friday we had a whole school meeting to discuss a few things that had been happening with the support of our Kimochis (our feelings). We agreed that we all want Morgan Primary School to be a place where we show kindness, be excited about school, and learning be successful, be happy with our friends, be hopeful, be thankful, be proud of ourselves, enjoy activities, be happy, we use our talking voice and we can make new friends.

ICAS TESTING—This year we again encourage our kids to strive for academic excellence and to sit the ICAS Tests.

ICAS does not assess how well you remember what you have been taught; it assesses the higher order thinking skills needed for success in English, Mathematics, Science, Writing, Spelling and Digital Technologies.

Understand your capabilities, identify your strongest skills, see where you can improve—Intellectual stretch and challenge. Are you game to take on the challenge? If your child is interested please come in and register your name.

Please let Mrs Zadow know by the end of week 6.

Have a great week!

Kind Regards,

Kellie Zadow

Meet and Greet 2017

Thank you to our families who attended our Meet and Greet evening last Tuesday night. This provided everyone with an opportunity to see what's happening in the classroom and to encourage families to log in to Class Dojo and SeeSaw programs to share learning and to continue to improve communication between school, home and the community.
