Principal News

Welcome to Week 6

Governing Council—our AGM and first meeting is tonight if you wish to attend we will be starting at 7pm.

Pastoral Care Worker Review—Please find attached a copy of a family survey that I am asking families to complete so the information can be compiled so I can put together a report for Renee's Review in Week 8. Please take a couple of minutes to have your say—this also helps when applying for funding for this position at MPS later in the year. There needs to be support from the school community for Governing Council to approve this position.

Education Act reform – Have your say

The draft Education and Children's Services Bill 2016 has been released by the government for public comment. The Bill recognises the important contribution that parents make to children's education and development. Attendance provisions have also been strengthened. To find out more about the changes and provide feedback, visit the YourSay website by Friday 10 March 2017.

Student Free Day— This Friday staff will be attending a professional learning day at Waikerie HS on Growth Mindset. This supports our school priorities and is the next step in learning over the last few years.

Please make arrangements for your child/ren and enjoy the extra long weekend.

Staffing News—Welcome to Tori Kay who will be here on Thursday / Friday as a classroom SSO. Tori is also studying for her teaching degree. Please make her feel welcome.
