Welcome to Week 10

Engagement Meetings—Thank you to the families who booked a time to meet with your child's teacher to discuss progress and where we are heading together. I know a few families are booked in this week. Thank you for your time—your children and the teachers really appreciate time allocated for them to set goals and receive feedback.

Morgan PS Sports Day—Congratulations to the Blue team—Students and Old Noddies for being victorious in 2017. It was a very close race to the finish with students doing their best and working on personal bests. Thanks to the school community for coming out and participating—it was a great attendance for the day.

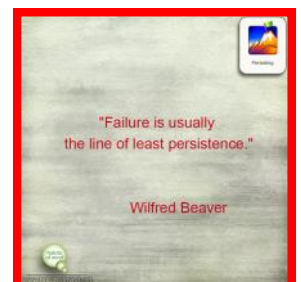

Renee's Review—Thank you to the families who provided feedback for Renee's review. The feedback was very positive and the decision was made that Renee will continue in the role with some exciting things to happen for students, staff and families. Thank you to Megan Brooks our Governing Council representative for participating in the review process.

We need to arrive at Ramco at 9am this Friday so the bus will be leaving school at 8.20am, if you have booked a seat on the bus for your child. Presentations are at 2pm so we should be back to school at 3pm for those students coming home on the bus.

We do need to provide some parent helpers on the day for High Jump, Sprints and Hurdles so please be willing to help out. Check out your program coming home today and see where you can help out. All other information is included in the newsletter re: canteen, timetable etc.
