## Thursday Lunch

This Thursday students can have a party lunch with Mrs Zadow. There will be some party food and games to celebrate the end of the term, birthdays and Easter. Students can come dressed in casual clothes.

## MEC—Morgan Education Community

During MEC we read an Easter story about, *10 Hopping Bunnies*, doing all sorts of crazy things. After discussing aspects of the story, numbers, subtraction, sports day, the children were given two tasks to complete. One was to decorate an Easter basket and the second was to do some scratch patterns onto Easter decoration shapes. The shapes were black and when the children scratched their designs into them different colours could be seen. The finished products looked great and all of the children were proud of their achievements.
