Friday 7th July
End of Term—2.20pm
dismissal

HAPPY HOLIDAYS

Term 3
Monday 24th July

Monday 7th August
Student Free Day

Principal News

Welcome to Week 10

We have certainly had an extremely busy term with all the learning activities, events and extra-ordinary opportunities for our students. It was great to see lots of families and visitors from the community at our Shared Learning Day and Biggest Lunch—we received lots of positive feedback. We also raised \$200 for the Cancer Council—a great team effort!

Governing Council News

- Approval of a Student Free day—Monday 7th August
- Planning for Quiz Night in Term 4

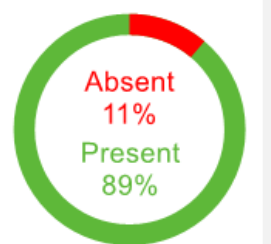

SCHOOL FEES OVERDUE: Please come in and see if you are eligible for School Card. **LAST DUE DATE TO PAY: 7TH JULY.**

Will be coming home on Thursday—please take the time to sit down with your child/ren and discuss their report. I am sure they can expand on their self reflection and set some directions for semester 2.

Week 9 Attendance Rate

Let's make an effort to improve this week!

I hope you all have a great holiday break and spend some quality family time together. Rest, relax and get outside and enjoy some outdoor play.

Have a great week and holiday break!

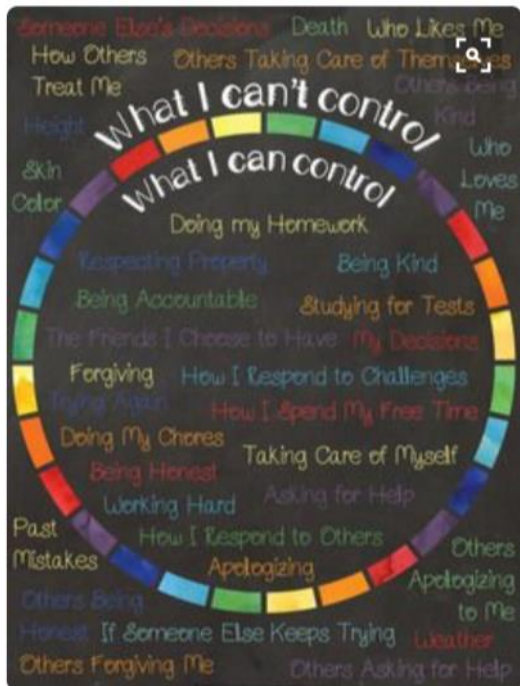

Kind Regards,
Kellie Zadow

CRITICAL AND CREATIVE THINKING

Critical and creative thinking is essential for students to become successful learners.

The family information sheet is included in this week's pack.

This general capability has 4 main parts:

- posing questions, gathering, organising and processing information and ideas
- imagining possibilities, suggesting alternatives, seeking solutions and putting ideas into action
- talking about and giving reasons for their thinking and applying knowledge in new situations
- applying logic and reasoning, drawing conclusions and designing a course of action, and evaluating procedures and results.

During their primary and high school years, students develop critical and creative thinking as they imagine possibilities, consider alternatives, and create innovative solutions. They apply logic and reasoning to develop a course of action, and weigh up the consequences.

Help your child be a confident and enthusiastic learner.

Help them:

- Aim high
- Communicate, listen and manage emotions
- Learn about the world
- Share and enjoy reading
- Instil positive learning habits including organisation
- Support good relationships
- Support sleep, nutrition and routines

Monday Mornings 9-11am

Starting Term 3

Morgan Primary School

Coffee & Morning Tea available.

A.C.Care Family Services

ac.care
Opportunities for life - for every people

We support families and refer to other agencies and services as required.

UNIFORMS—Recycled Uniforms

UNIFORM SHOP

If you have any items to recycle please send them along to Ali—the recycled stock is looking bare and is a great way to support all our families.
