Friday 11th August
Riverland SAPSASA
Athletics—7.30am
Breakfast—8.15am

Monday 14th August
Toy Library Visit / AC
Care - 9am
Emu Tree—UP

Tuesday 15th August
ICAS Maths

Thursday 17th August
Soup and Sides
Jo Jericho

Friday 18th August
Breakfast—8.15am

Principal News

Welcome to Week 3/4

I hope you all survived the wild weather over the weekend and were able to spend some quality family time together yesterday.

On our SFD yesterday staff worked with teachers and SSOs from our Waikerie Partnership on Collaborative Moderation in the area of Maths.

Last week I also met with other small school leaders as part of the South Australian Small Schools Association Executive to prepare for a visit with our CEO of DECD—Mr Rick Perse. Here is a link to the presentation to celebrate life in a small school.

Morgan PS UP video featured: to access the link.

For further enquiries, please phone the Morgan Library on 8540 0090.

Help your child be a confident and enthusiastic learner.

Help them:

- Aim high
- Communicate, listen and manage emotions
- Learn about the world
- Share and enjoy reading
- Instil positive learning habits including organisation
- Support good relationships
- Support sleep, nutrition and routines

Monday Mornings 9-11am

Starting Term 3

Morgan Primary School

Coffee & Morning Tea available.

A.C.Care Family Services

We support families and refer to other agencies and services as required.

Helping children learn - What you can do in primary school

Learn about the world together

Parents, more than anyone, can help their children enjoy learning new things. Children learn by exploring and finding new interests. Children can learn about the world doing everyday things like cooking, shopping, cleaning, gardening, or playing sport. There are plenty of free things to do too.

- Give your child the opportunity to discover new things, to explore new interests, and to participate in their family, community and culture. These all help to develop a positive attitude towards learning and school.
- Talk about your own learning – tell your child about what you are currently learning or what you remember about being their age. Share the message that learning is important at all ages. Explain how you plan, solve problems and think about the future.

Head out to libraries, museums, free concerts, sporting and cultural events together. Check out activities for children such as after school programs, holiday activities and free community programs.

I believe in the power of outdoor learning & play! That's why I've signed up to #OutdoorClassroomDay – join me: <https://outdoorclassroomday.com/#sign-up>

UNIFORMS—Recycled Uniforms

UNIFORM SHOP

If you have any items to recycle please send them along to Ali—the recycled stock is looking bare and is a great way to support all our families.

COMMUNITY NOTICES

Poem

When I first started school,
The shoe laces looked cool.

In reception, it all looked too tough,
I tried a couple of times but I had enough.

I hoped by grade two,
I would know just what to do.

I was too young to do up my shoe lace,
I frowned with anger and a tear ran down my face.

I became older and stronger as I grew,
I knew very soon I would tie up my shoe.

When I finally practiced at tying my shoe,
I realised I always knew just what to do.
