## Principal News

### Welcome to Week 10

Thank you to all our families for their support this term. It certainly has been action packed and we are all in need of a break.

As you may have seen on FB or heard via the grapevine Peter and I have purchased a property in the Flinders Ranges. I will be supporting the staff and students to have a productive 2018 and to continue with plans we have in progress and to make the most of Term 4. I will then be taking Long Service leave in 2019. I will work with our Education Director to ensure Morgan Primary School is sailing in the right direction and that it be full steam ahead as always. I am sure the end of the year will be very hard for me as Morgan PS has been my home for 11 years and I am so proud of what we have achieved and where we are as a school community.

I will be hoping that the school is able to visit next year on camp because I will be missing the very special people I work and learn with everyday.

Have a great week and holiday break!

Regards,

Kellie Zadow
