Bookings essential.

Occasional Care at the Morgan Education Community is an associated self funded care program on an occasional basis, based within a local early years setting. We provide 'now and then' sessional care to enable parents/caregivers to participate in leisure activities, follow up commitments or keep appointments. Occasional Care provides wonderful opportunities for children 3 - 4 year olds to play and learn with our staff, other children and each other and experience the early years environment and its resources.

**Please call in and see Jo Jericho/Trish Zerner
for further information, fill out forms or
book a session.**

Or call us on 8540 2102, 0417082130.
