School News

Welcome to week 6 and just on four weeks till Mid Murray Sports Day!

Last Friday teachers worked alongside colleagues from Waikerie PS, Ramco PS and Waikerie HS to continue our 'Visible Learning' journey. As a staff we developed SOLOs (Structure of Learning Outcomes) for the goals in our School Improvement Plan – vocabulary, sentence structure, punctuation and place value. Teachers have already started work on these areas.

Last week all Leaders in the state attended two days on - making our schools world class and literacy improvement. A high profile educator and researcher talked about Australia's place in the world in education, and what things make a difference to student learning. The slide below resonated with me, and the role of parents/carers can never be underestimated as the diagram below shows.

Parents' interest in their child's activities at school and well-being (average)

Interviews will be held at the beginning of week 9. When 'times' are sent home, please connect with your child's teacher and their learning and development. We are partners in their education.

*Great work everyone.
Good to see notes and calls
to explain any absences*

SPLASH CARNIVAL

On Friday 8th March the three small schools will be competing for the 'Turtle' at the Waikerie Town Pool commencing at 9.45 am though students will need to be there about 9.30am. All places on the bus and two cars are taken. We will leave Morgan PS at 8.45am and be back by 3.20. Any students going home with family or friends need to complete the attached form so we know the arrangements for all students. We will cross off students as they leave.

It will be great to have families and friends help on the day and encourage the students with their events.

Tennis

This week our students started tennis lessons with Grant Daniel. They will have four lessons over the next four weeks. These lessons are funded by the Sporting Schools grant.

Mid Murray Sports Day

We are well underway with organising Mid Murray Sports Day though still need volunteers to help with events and fundraising activities such as barbecue and cake stall. Please complete the attached form to let us know what you can do on or before the day.

Thanks

Information for Families

Behaviour

We have had two instances of fighting and aggression. This will not be tolerated at Morgan Primary School as every child has the right to be safe whilst at school. This infringement is an automatic 'white slip' and two of these will preclude any student from attending the school camp in term 3.
