Welcome to Week 10 and heading into the school holidays.

I hope you have all had a chance to go through your child's report and talked to them about the many positives and how you can support them with areas to be developed.

Yesterday we farewelled Tahlia, our SSO, as she will not be continuing with us next term. The students connected with her and she remarked that she loved coming to our school and has learned so much from our fantastic staff. We wish her the very best for the future.

The highlights for term 2 were:

Monarto excursion

Life Education Interaction Day

New playground equipment

Art lessons

PE lessons

Tahlia as SSO

Music is Fun

The Gully

Mobile dentist

writing stories

STEM

playing soccer

Once again we have been fortunate in getting the Sporting Schools grant for term 3. We will be doing football, cricket, and orienteering.

It's really pleasing to see that our students' attendance rate is at 92%. They are at school, there are better outcomes in learning.

The first day of term 3 will be Tuesday 23rd July as staff will be attending their Network Learning teams to plan units in Maths. Please make alternative arrangements for your children for Monday 22nd July.

Parent Information

Hello everyone,

Helping children build inner strength to cope with the 'ups and downs' of growing up is one of the best things parents can do.

Some things children need:

- * To know they are loved and are lovable
- *Families [in all the many forms]
- *Supervision and support
- *To make a contribution
- *To feel good about themselves
- *To try new things
- *To feel included and appreciated

Help children feel they are loved and belong. One of the most important things is a sense of belonging. When children learn to belong it gives them the ability to make attachments, trust others and be able to form relationships with other people in their life. Children need to feel good about themselves and know that someone is there for them and comes when they cry, comforts them when they are lonely. Children need to know that they are loved for who they are and feel they have a place in the family - and that they will be missed if they are away and they have a part in what needs to be done, eg. family chores.

They need you to:

- *Spend time with them
- *Support their interests
- *Show you care - with actions and words

Being a parent is one of the most important and rewarding jobs♥♥

Regards,

Renee ☺

Families are invited to have their say on moving year 7 to high school

Regional communities are invited to have their say on how year 7 will move to high school. The consultation will test the possibility of providing families with the choice to keep their year 7 child in primary school, if their primary school is located more than 20 kilometres from its nearest area or high school.

For details of forums in your area and to register, go to the YourSAy website at www.yoursay.sa.gov.au. You can also share your views directly through this website. Contact the Year 7 to High School Project team at Year7toHS@sa.gov.au if you have questions.

Camp Information

This years camp has been booked at Woodhouse Activity Centre for Monday & Tuesday night and Ankara Camp at Walkers Flat for Wednesday & Thursday night. (Term 4 week 2)

Camp fees have been set at \$180 per student.

Families are welcome to start making payments and invoices will be sent home in Week 1 next term.

Camp fees will need to be finalised by Monday 14th October (Week 1 Term 4) if your child wishes to attend.

Please come in and see Jo if you would like to make payments by EFT.

Term 2. Week 10. Monday July 1, 2019.

WELCOME TO KINDY

Last Monday we welcomed our newest kindy member, Michael Oates and his parents, Chantelle and Aaron and baby brother Kaiden. Michael had a wonderful morning and I was very proud of the other children for their great support of Michael on his first day.

We now have 8 pre-schoolers and 3 regular occasional care buddies which is fantastic. We look forward to meeting more over the next 2 terms. ☺

THE OUTDOOR CLASSROOM

Last Monday was such a cold day at the gully. Mr Stevens lit a fire so we could get warm. We helped collect some sticks for him. Then we had a bit of a run around on the mounds of dirt and Bonnie-Jean showed us where we could find cool shell fossils. It was lots of fun and we laughed a lot.

WEEK 9 PICS

THANKS FOR A GREAT TERM EVERYONE.
SEE YOU ON THE 22nd. Rie and Trish. ☺

YES WE DO HAVE KINDY ON THIS DAY EVEN THOUGH THE SCHOOL HAS A STUDENT FREE DAY ☺

NEXT TERM - Book Week, Science Week, Cricket Clinic, MusicaViva plus more

We hope you enjoy sharing your child's portfolio book during the break. We would love you to write a comment about what your child had to say about their term. Thanks. ☺

I will learn to write but first I need to...

Imagine Making an image when I paint and draw.	Build I need to use the letters independently to write.
Sort, Size & Draw Making marks and shapes to make the message and letters to write.	Manipulate Using manipulatives, sticks, beads and pins will help me to write.
Play with letters & words ... and I need someone to show me how important writing is every day!	Climb I need to climb and push and pull to hold my pencil.
