

Week 1 Term 2 2021

Dear Families,

Welcome back to Term Two. We hope you have had a very happy, fun and restful holiday break. We have a very busy term ahead, filled with lots of discovery based learning, in particular, nature play, science, design and technology to mention a few. We are pleased to see that Seesaw has been a huge success in both our primary and preschool and the children have been thrilled with all the positive and encouraging comments left. We also look forward to having Parent Helpers in the classroom this term, stay posted for further information regarding times throughout the term. Please check the term overview for all upcoming activities and important events this term.

Preschool News

We welcome Jamie Sheridan to our preschool this term, while Trish is on leave. Jamie has many years' experience in early childhood education and is looking forward to be working with you and your child in the preschool this term. Please feel free to come and say hello 😊

Parent teacher interviews:

Over the next three weeks we will be conducting parent teacher interviews for both our preschool and primary students. Teachers have placed a sign in sheet on their doors with allocated times.

Year 7 to high school – Parent Q and A Session

We will be hosting a parent workshop for the upcoming year 7 to high arrangements for children attending Waikerie High in 2022 and beyond. Please feel free to ask any questions or concerns you may have about this process.

MPS Tuesday 11th May 5.30pm-6.30pm Held at Morgan Primary School

School Uniform Reminder

I friendly reminder to families that students need to wear school uniform or the school colours. Jumpers and jackets are available for purchase through the front office now the weather is colder. Teachers are reminding students that additional clothing under and over T-shirts, that is not in school colours, or has inappropriate wording is not suitable. Your support and follow-up is appreciated.
