Gov Council 5.30pm

Mon 4th July

Assembly 2.45pm

Tues 5th July

Naidoc event Cancelled

Fri 8th July

Last day of term

Early Dismissal

2.20pm

The term is moving fast and teachers have been working on mid-year semester reports. Reports will be sent home with students on Wednesday of the last week. If you receive the report and would like to discuss it with your child's teacher, please make a time to meet with them. We acknowledge the staggered start to the 2022 school year which included home learning for majority of our students and we understand that some attendance has continued to be impacted by COVID and more recently the winter colds. This has affected continuity of learning for many of our students. Learning has taken place in this first semester through different forums eg face-to-face and online and some absences have been unavoidable. If you or your family are currently experiencing bouts sickness we wish you a speedy recovery and hope to see you back at school soon.

Each morning across the school a community circle takes place in classrooms. This builds a sense of community and provides students with the opportunity to take part in a morning greeting, share news, discuss our school values and dispositions and join in with a positive primer. Students in Mr Steven's class were sharing when I was a part of their community circle on Thursday. I captured some of the statements students shared and would like to mention this one in particular made by Lola, She said "Community is welcoming new people to our school". On behalf of our school community I would like to welcome Rhys and his family to our school and to Morgan. Rhys has joined Miss Pfitzner's class and is in Year 6. We wish your family all the best settling in to our community.

I am really pleased to announce to our school community that I have been appointed Principal of Morgan Primary School. The tenure is for 5 years commencing in 2023. I am really looking forward to continuing in the role and working alongside families for students to achieve their full potential.

Congratulations!

On behalf of the Morgan staff and students we would like to congratulate Mrs Colbert on winning the Principal position at Morgan Primary. We are grateful for your effort, passion and support.

SAPSASA STATE CROSS COUNTRY

It was such a great experience for me to compete for our Riverland Cross Country team in the state carnival at Oakbank Racecourse last Thursday. I was really nervous when I arrived as there were so many people. There were 190 students in my race. It was hard to run the course because of the big hills and slippery grass and mud. I was running in the rain. I want to thank mum for taking me to Oakbank Cross Country and supporting me while I was running.

Hunter Danton (10 years old)

We are really pleased that Hunter was able to use the school dispositions of challenge and self-motivated as he pushed himself to the limit. We are proud of what he achieved.

Design and Technology with Jamie

In Design and Technology we had to design and make a house out of recycled materials. The design brief was that the house has to be able to withstand bad weather conditions such as a hurricane, cyclone, tsunami, snow storm or flood. We have been learning about natural disasters. There had to be two entrances so we could knock a golf ball through the house. We have finished our houses now and this week we are going to try knocking the golf ball through and Jamie is going to test the house against a natural disaster.

Bonnie-Jean, Year 3 and Jemima, Year 2

Who can you see hiding in the picture?

Yesterday Jamie and I travelled to Banrock Station to take part in professional learning about the Mallee ecosystems. We went on a walk and learnt about our local surroundings and are looking forward to sharing our new learning with the students on our gully visits.

Hello everyone,

I hope all is well. With winter upon us it can be hard to stay positive and life can seem hectic. A simple mindfulness exercise is to notice what you are experiencing right now through all your five senses: sound, sight, touch, taste and smell.

Take a few slow breaths [breath in through nose and out through mouth] and ask yourself:

- What are three things I can hear?
- What are three things I can see?
- What are three things I can feel?
- What are three things I can smell?
- What are three things I can taste?

Think of these answers to yourself slowly, one sense at a time. This helps to focus and get yourself grounded when life gets busy and it's good for your wellbeing.

Regards,
Renee😊

CHILLIES

Please help yourself to the chillies in the veggie garden.
Lots there, we hate to see them go to waste.

Soup & Sides Roster Term 2

Week 8	Rhiannon Seres
Week 9	Sarah Cibich
Week 10	Mrs Colbert

Thank you Amita & Leah for our delicious lunches.

Silly Sock with Oodie/Pyjama Day

We are fundraising for a new slide for our playground. We will raise the money by participating in a fundraiser called Silly Socks. If you haven't already done so, you can go and buy a pair of socks online at

<https://jollysoles.com.au/discount/MPS22?redirect=%2Fcollections%2Findividual-pairs>

which includes the code and you can get 25% off your purchase at checkout.

This will take place on the last day of term including a fun day.

Get ready for silly socks and FRIDAY FUNDAY on the last day of term 2!

**Last week to order your Socks
Fundraiser ends this Friday 24th
June.**
