

Morgan Preschool Child Protection Curriculum & Japanese Program – Term 1 2023

During Term 1 we will be focusing on Area 1 of the Child Protection Curriculum – The right to be safe. Listed below are some of the key topics we will be covering this term in our play scenarios and group times.

Child Protection

Topic 1 - The right to be safe

- Recognising and sharing feelings
- Exploring safe and unsafe behaviour
- Safety rules
- Emergencies
- Invacuation, Evacuation, Shelter in Place
- Understanding Signals
- Body signals
- Early warning signs

Links to the Early Years Learning Framework

- Children extend their sense of personal and group identity
- Children are purposeful and effective users of communication and language
- Children develop autonomy and a sense of agency
- Children begin to develop responsibility for their personal health and safety

Learning about Japanese language and culture in preschool helps to prepare children to learn a second language at school. At preschool we learn Japanese through stories, games, iPad apps and craft activities. Learning an additional language has been shown to extend competency in the child's first language. It helps children to connect with the world views of others and to engage as members of local, regional and global contexts.

Japanese

- Japanese New Year
- Japanese Zodiac Calendar
- Greetings – Saying hello
- Colours
- Family Members – Mother's Day
- Sports – Winter Olympics and Sports Day
- ELLA - iPad

Links to the Early Years Learning Framework

- Children learn to interact with others with care, empathy and respect
- Children respond to diversity with respect
- Children interact verbally and non-verbally with others for a range of purposes
- Children engage in a range of texts and gain meaning from these texts
