Quality Improvement Plan Summary

Morgan Primary School – Morgan Preschool

Goals	Challenge of Practice	Success Criteria
<p>To improve children's ability to express their thinking in multi-modal ways</p>	<p>If we incorporate strategies for sustained shared thinking by modelling, using encouragement to extend and stretch thinking we will improve children's ability to express their ideas and wonderings.</p>	<p>Through ongoing analysis of pedagogical documents we will see children: Resourcing their learning while interacting with others in play to explore ideas and concepts, clarify thinking, negotiate and share new understandings. Exchange ideas, feelings and understandings using language and representations in play.</p>
National Quality Framework Priorities		
<p>The expertise, culture, values and beliefs of families are respected and families share in decision-making about their child's learning and wellbeing.
